Section 1 – Introduction

This directory provides a list of network providers for Advantra Gold. The providers listed in this directory have agreed to provide you with your healthcare, vision, and mental health coverage. You may go to any network provider and are not required to continue going to the same provider. To get detailed information about your health care coverage, including any coverage for non-network providers, please see your Evidence of Coverage.

Please note that some services are covered only if your provider gets approval (also known as prior authorization) from us. Prior authorization is an important process used to make sure the services you get are covered and are medically necessary. Please refer to the plan's Evidence of Coverage for information on services that may require prior authorization.

As a member of our plan, you may go to any doctor, specialist, or hospital in or out-of-network. With the exception of emergencies or urgent care, you may have to pay more for care from out-of-network providers. PPO members do not have to select a Primary Care Physician (PCP). You can go to any plan doctor. Although you are not required to select or see a PCP, we still urge you to establish a relationship with one. Your PCP is a plan provider who may specialize in certain areas of medicine such as internal medicine, family practice, or geriatrics.

You do not need a referral to go to network doctors. A separate doctor office visit copay may apply for certain services.

The benefit information provided is a brief summary, not a complete description of benefits. For more information contact the plan. Limitations, copayments, and restrictions may apply. Benefits, formulary, pharmacy network, provider network, premium and/or co-payments/co-insurance may change on January 1 of each year.

Mental Health/Substance Abuse Services

Inpatient and outpatient mental health and substance abuse benefits are provided by Magellan Health Services. Magellan Health Services has a large network of licensed and certified professionals, covering a variety of specialties to address your emotional wellness needs. You do not need to get a referral from your primary care doctor. For questions on mental health and substance abuse benefits please call 1-866-849-3957, TTY/TDD 711, Monday – Friday 8 AM to 7 PM.

Requests for Payment

If you receive a bill from an out-of-network provider, submit the information to the plan – please do not pay the bill directly. We will review the information you provide and will notify you if you are responsible for any costs. You must submit your claim to us within 365 calendar days of the date you received the service or item. Contact the plan for more information on how to submit a bill.

Medical Emergencies

In a medical emergency, get help as quickly as possible. Call 911 or go to the nearest emergency room, hospital, or urgent care center. You do not need to obtain prior authorization or a referral from your doctor or other network provider before seeking treatment. Please notify the plan as soon as possible to let us know about your emergency so we can follow up on the care you receive. For more information on getting care in an emergency, please see the plan's Evidence of Coverage.

Y0022_1080_3455_FINAL_NC15 accepted 07/2014

Introduction

This booklet provides a list of our network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Advantra Gold's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Coventry Health and Life Insurance Company. When it refers to "plan" or "our plan," it means Advantra Gold.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription, but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of July 2014. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a ♦; ♦ *This indicates a preferred pharmacy* to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Express Scripts PharmacySM. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for the following counties in North Carolina: Alexander, Caldwell, Caswell, Catawba, Durham, Gaston, Guilford, Orange, Person, Randolph, Rockingham, and Wake.

We also list pharmacies that are in our network but are outside the counties listed above. You may also fill your prescriptions at these pharmacies.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

To find a network pharmacy near your home, look under the pharmacy section of your choice (for example, "Mail Order Pharmacy"). The state, county and city are listed alphabetically in each plan pharmacy section.
