NOTE: To be a member of Medicare Assured Diamond or Medicare Assured Ruby you must be entitled to Medicare Part A and enrolled in Medicare Part B, live in the Plan Service Area, and receive Medicaid benefits from the State. Where possible, we have identified providers that accept both Medicare and Medicaid with an asterisk (*). However, a provider that does not have an (*) by the provider name may still accept Medicaid. You may call the Provider’s office to confirm if s/he accepts payment from Medicaid.

Introduction

This directory provides a list of Medicare Assured Diamond, Medicare Assured Ruby, Medicare Assured Gold, Medicare Assured Platinum, Medicare Assured Choice, Medicare Assured Prime, and Medicare Assured Select network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our Plan providers who are listed in this directory to be your **Primary Care Provider (PCP)**. The term “PCP” will be used throughout this directory. Generally, you must get your health care coverage from your PCP. You will usually see your PCP first for most of your routine health care needs.

The “network providers” listed in this directory have agreed to provide you with your health care / vision / dental coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

If you are a member of Medicare Assured Diamond or Medicare Assured Ruby and receive a bill from a provider, do not pay the bill. Please contact Member Services (see phone number on the back cover of this directory) for instructions.

You must use plan providers except in emergency or urgent care situations or for out-of-area dialysis services. Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. In addition, when you are out of the service area, you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from non-network providers neither Medicare nor the Plan will be responsible for the costs.

Pharmacy Directory

Introduction

This booklet provides a list of Medicare Assured Diamond, Medicare Assured Ruby, Medicare Assured Gold, Medicare Assured Platinum, Medicare Assured Choice, Medicare Assured Prime, and Medicare Assured Select network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Gateway Health Medicare Assured Diamond, Gateway Health Medicare Assured Ruby, Gateway Health Medicare Assured Gold, Gateway Health Medicare Assured Platinum, Gateway Health Medicare Assured Choice, Gateway Health Medicare Assured Prime, or Gateway Health Medicare Assured Select formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Gateway Health Plan, Inc. When it refers to “plan” or “our plan,” it means Gateway Health Medicare Assured Diamond, Gateway Health Medicare Assured Ruby, Gateway Health Medicare Assured Gold, Gateway Health Medicare Assured Platinum, Gateway Health Medicare Assured Choice, Gateway Health Medicare Assured Prime, or Gateway Health Medicare Assured Select.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of November 2014. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for the counties in North Carolina, which covers the area in which you live. However, we cover a larger service area, with more pharmacies at which you may fill your prescription drugs. For information on additional pharmacies where you can get benefits under this plan, please see the section on this pharmacy directory on Network Pharmacies outside the counties North Carolina or contact us.

We also list pharmacies that are in our network but are outside the counties in North Carolina in which you live. You may also fill your prescriptions at these pharmacies.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
